LEARN TO LINK Mission Statement

**Accessible & affordable online tutoring
Grade 1 - 13**

Available for Cambridge (CAIE), IEB and CAPS Curricula

ONLINE TUTORING

LEARN TO LINK tutors meet you where you are and take you to where you want to be! We offer Grade 1 to 13 tutoring services for home-schoolers or school-going students. The 24 tutoring subjects we offer cover the Cambridge (CAIE), IEB and DBE (CAPS) curricula.

EXAM READINESS

We ensure student readiness for examinations as well as peace of mind for parents that they are being well-supported in the subjects their children find difficult. If you are struggling to pass your exams or have set the goal of achieving a good mark which will serve you in securing university exemption/acceptance, we can help you make this become a reality.

LEARN FROM HOME

You can connect with your expert tutor online from anywhere in the world. We have numerous home school and school-going students who make use of our services.

CHANELLE PEVERETT

I have been in the teaching profession for 27 years. I can truly say that I do what I love and I love what I do.

This sentiment is shared by all our tutors who are well-qualified and committed to their students. I look forward to serving and supporting you on your journey of life-long learning as you continually expand your mind and empower your life!

MEET THE DIRECTOR

Educator: IEB Further Studies English, Cambridge (up to A level English), CAPS (Grade 12 level), NBT Trainer for Academic Literacy

I have taught English at various levels (Home/First language, First Additional Language and Further Studies (AP) English) in various curricula, including CAPS, IEB and CIE/Cambridge (IGCSE, AS and A Level). Annually, I train Grade 9, 10, 11 and 12 students to write the National English Olympiad. I truly believe that "the level of your vocabulary will determine the level of your vocation".

Corporate Trainer

I am most enthused when I am facilitating individuals or groups, by guiding them through the process of determining their unique hierarchy of values to discover their true purpose, while teaching them how to 'manage their emotions' along the way! Should you have any further questions or enquiries regarding our corporate training, please do not hesitate to contact us. We would be delighted to share our corporate workshops brochure with you.

Focus Groups

Gather your friends or family and create a focus group!

This new service is cultivated entirely around the specific needs of our students. Students will approach LEARN TO LINK with an already established group. We will provide the group with an expert tutor.

Details:

1.

Students will suggest specific topics to work on, or request a focus on specific areas where they might be struggling.

2.

Available subjects: English, Maths, Physics, and Chemistry

3.

There will be 3-5 students per group (minimum 3, maximum 5)

Remote Assessment Service

LEARN TO LINK provides a remote assessment service for students who do not want to invest in tutoring lessons but require feedback in the form of marked exam scripts and marked questions. This assessment service has two components: (1) mock exams and (2) individual questions.

	MOCK EXAMS	INDIVIDUAL QUESTIONS
COST	R320	R160
WHAT TO SEND	A set of papers (2 papers)	One long question
FORMAT OF FEEDBACK	<ul style="list-style-type: none">- Marked script- Written report about the student's strengths and weaknesses	<ul style="list-style-type: none">- Marked question- Written report about the student's strengths and weaknesses

Remote Assessment Service

How this service works:

0 Send an email to admin@learntolink.co.za to request a tutor who can mark your papers.

1

Once you are assigned a tutor, you can send the scripts that need to be marked. Please scan and email the following to admin@learntolink.co.za:

0

2

- a. The subject code (e.g. 0500 for English IGCSE)
- b. The question paper the student has used
- c. The question paper numbers (e.g. Paper 1 and Paper 2)
- d. Date of the question paper (e.g. Oct/Nov 2020)
- e. Student's handwritten answer script

0

The tutor will confirm that they have received everything they need in order to assess the papers, or request a rescan of certain documents if they need it.

3

0

You will be invoiced. Once proof of payment has been received, the tutor will be given the go-ahead to mark

4

0

Tutors usually need at least 72 hours to mark the set of papers and generate a written report. The tutor will email the marked scripts and the report directly to the student and the parent.
